## *President's Message*

I hope you all had a wonderful Thanksgiving! In the spirit of the season, the NHOS holiday party will be Saturday, December 13<sup>th</sup> at Bethany Chapel, 54 Newbury Road, Goffe's Falls, Manchester. This year we are trying something different and holding the members' auction, an opportunity to pass along plants and get some new ones for a bargain. Think holiday presents for someone else or for yourself! Members get 80% of the sale price and NHOS gets the rest to support our mission of conservation and education. As NHOS' 20% could be tax deductible, let me know if you need a letter for tax purposes. If you have not already done so, please contact Sasha Crotty or Adrienne Giovino about the plants you intend for auction so that information about them can be put on the website – check them out. In addition that will allow us to show pictures of the flowers during the auction. Please bring food to share – traditionally we have a holiday feast.

Many thanks to Susan Bearor who has generously offered to take over the newsletter from founding member and long time editor Bert Consentino who moved to New York. After the transition, we look forward to Susan's influence on the newsletter. Please thank Susan when you see her.

We need a new auction chair, someone to oversee future auctions. In addition we need 1 or 2 members to be responsible for our exhibit at the CAIOS show 1/23-25/15. Please consider getting involved. It's fun!

The Board of Directors and I wish you all a wonderful, safe holiday season.

Norm
