President's Message

Our holiday party last month was fun. Hope you are enjoying the new plants you bought at the auction. Many thanks to Sasha, Adrienne, Chuck, Bob C and Bob R for making it fun and successful. The holidays, with all the lights, parties, presents and food, are behind us. Whew! Now we need to diet (?) and to remember to use the correct year on everything we date. NHOS is off to a great start for the New Year. This month our own Sasha Crotty will be sharing her experience with orchidariums (or is it orchidaria?) She grows lovely plants and I am sure to learn something.

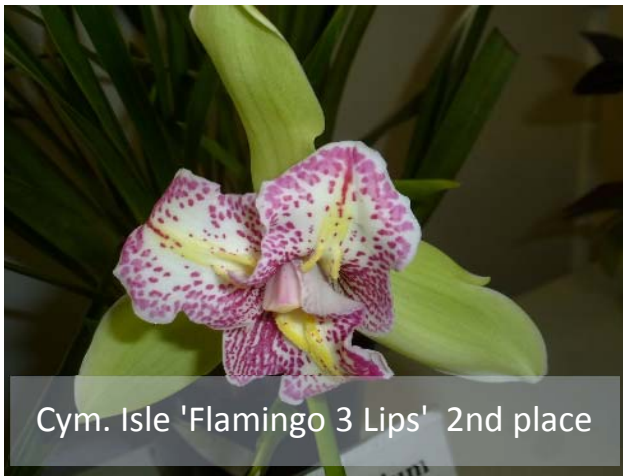

Next month is our show at the Radisson, so our monthly meeting will be February 7. This month, plan to pick up road signs and position them to get the word out. Please pick up lots of postcards to distribute and sign up to volunteer at the show. We especially need help with set up and tear down, back and forth to the storage unit, one of the more important jobs.

Again, thanks to Susan Bearor for taking over the newsletter Please thank Susan when you see her.

Thanks also to Chuck Crisler and Jack & Pam Mulder who volunteered to handle our exhibit at the CAIOS show January 23-25. Chuck and the Mulders may be able to take your plants from the show table to the CAIOS show. Please speak with them at the meeting if you are willing to consider that.

Remember to bring food to share at the meeting – we have been short on main course items lately. And the raffle table needs donations, too. Come to the meeting at the Town Hall!

NHOS Meeting Minutes

New Hampshire Orchid Society
General Meeting
December 13, 2014

Opening

President Norm Selander-Carrier called the meeting to order and welcomed new members, members attending for the first time and guests.

- Our display of orchids in a Victorian house's sunroom on The Friends of the NH Symphony House Tour was a success thanks to the creativity of Sue Anderson and Bob McGrath. Thank you, Sue and Bob, and to Daryl Yerdon, Chuck Wingate, and Chuck Crisler for their plants.
- We have a approximately \$10,000 in our checking account for total assets of approximately \$40,000.
- Show chairs Jean Hallstone, Brenda Campbell and NHOS officers and trustees toured the Marriott Courtyard in Nashua as a potential new venue for our 2016 show. The hotel looks very promising and if we decide to move, inserts will be added to our 2015 show program to alert attendees of the new show location.
- NHOS member Peter Cataldo has passed away. Please see Jeanne Usereau to sign the card.
- Susan Bearor is our new newsletter editor and she did a fantastic job with our December issue. Thank you, Susan, for your hard work.

Next month

- The New Hampshire Home Design Awards will be held on January 20, 2015 in Manchester, NH. The theme is "Radiant Orchid" and we've been asked to supply orchids for centerpieces. We will collect members' plants at our January meeting, staff a table at the event with membership information and show postcards. These plants can then be passed along to our show captain for the CAIOS show which starts at the end of that week.
