14th Annual Native Orchid Conference

2015 conference to be held in Gorham, NH
June 1st through June 5th

From their website: “The NOC annual conference is the highlight of the year for many native orchid enthusiasts. This four day event was initiated in 2002 in North Carolina and has been held every year since.” <http://www.nativeorchidconference.com>.

President's Message

Those who attended the auction last month seemed to enjoy themselves. Many thanks to all those who made the auction work. Steve Ski got the many lovely plants some of which sold for amazing prices. Adrienne Giovino handled the software admirably and Bob Richter managed the projector. As usual Bob Cleveland and Chuck Wingate provided the entertainment. We made about \$1,500, well short of the \$2,500 budgeted.

Speaking of the budget, we are taking suggestions for the annual budget we will be voting on in September. We hope to get a draft budget into the July newsletter. Under the guidance of Jean Hallstone and Brenda Campbell who will be co-chairing the 2016 show, the Show Committee is working on their portion of the budget.

In September, we will be electing some new members to the Board of Directors. The open positions will be those of President, Vice-President and two Trustees. Please be generous in offering to stand for one of these positions or in accepting when asked by members of the Nominating Committee. I have enjoyed NHOS more since being on the Board of Directors. You might, too.

Dr. Martin Motes will be our guest speaker this month, sharing his experience with miniature vandas.

Be sure to show your appreciation for the behind the scenes work Richard Simms does tending to hospitality. I'm sure he could use some help during the meetings.

We had lots of salads and desserts last month. We will need more main entrée items this month. Please bring raffle table donations.

Thanks!

Norm

A message from Joe:

Below is the current list of plants for the June 6 Auction. The list may change a little of the auction if any more material comes in, but all these plants should be at the auction. I hope we get a good group of eager bidders for the auction. I am looking forward to seeing many of your society members at the auction. Remember this will be a regular judging meeting, so after the auction we will also have an educational presentation as well judging of plants. Please tell your members if they have any plants for judging to bring them in.

From J & L Orchids

J&L ORCHIDS SUMMER SALE

Dear Orchid Society Member,

Yesterday we sent a notification about J&L Orchids Summer Sale, June 26th thru July 5th. This year we are including more talks and workshops in the form of theme days, when we will focus on different aspects of the orchid growing hobby. We would like to invite/encourage you to organize a group from your society to participate, since there will be great opportunities for education, enrichment and interaction, along with lots of interesting orchids at bargain prices. If you are able to attend during the first three days, we also provide a delicious fried chicken picnic lunch. As an added incentive whether you come by bus or carpool, we will contribute \$100 toward travel expenses for any group of 20 or more, or \$50 for a group of 10. A detailed schedule of events will be posted on our homepage no later than June 10th. Please call or email us with any questions, and let us know if your society would like to participate in our Summer Sale Extravaganza. It is going to be a lot of fun!

Hope to see you.

Marguerite, Lucinda and Cordelia
