President's Message

The March meeting was to welcome in New Members and what a wonderful turnout! Everyone that was at the meeting was allowed to pick a plant and pot it. Many newcomers were helped by the existing members sharing experience and advice. It was exciting to see so many new faces working together with the tried and true. I hope everyone's new orchids are acclimating to their new environments nicely.

Now that we have gathered new members and spring is in the air, I hope that we are all ready for Norm's presentation on the World Orchid Conference that was in Ecuador this past winter. I am looking forward to seeing this presentation as I know I am not the only one that purchased Ecuadorian plants at our show, and I have heard a few tidbits of how exciting it was.

A huge "Thank You" goes out to the many people that came to the UNH McFarland Greenhouse to educate, separate and re-pot the enormous Cymbidiums, Cattleyas, Oncidiums and Vandas, There is now a great moss area for the smaller species of plants in the greenhouse, thank you Jean Stefanik for getting this process going many years ago and making sure it continues. (cont.)

Next Meeting

**Saturday April 14, 2018
11:00 AM**

**Topic- Norm Selander-Carrier
will present a review of the 2017
World Orchid Conference in
Ecuador**

**Plants for the show table must be
labeled and on the table by 11:00 AM.**

President's Message (cont.)

Thank you to Sue Andersen and her mom for manning the informational table, which looked amazing by the way. A lot of these plant divisions will be available at the May Auction so make sure you put your pennies away for May! Thank you to Ryan and Brenda for helping hack at the Cymbidium that just didn't want to be divided, but the saw and I won with your help. Jean and I will also be heading back to the greenhouse about once a month to keep the orchid collection in good shape and hopefully to help educate the students on care and upkeep of this project, if you are interested in helping with this please contact Jean to let her know what you can do to help... looks like we will be there on Fridays once a month.

(cont. on page 5)

Laelia lundii 'Laurel Wood'

Cyclopogon congestus

President's Letter (cont.)

Another huge thank you to Jean Stefanik for collecting and creating a display at the Nutmeg Orchid Society Show. Thanks to Chuck Crisler, Sue and Chuck Andersen and Norm Selander-Carrier for sharing their plants with Jean. We did win ribbons and I am so glad that Jean came home a few days early and took on this project...Thanks again Jean!

Don't forget to get those Yellow Show Road Signs back in so Dick can get a head count on how many we will need for next show.

A reminder that along with hot dishes or sandwiches we could use drinks at our meetings as well, water, soda, coffee, tea. Let's work together on this.

I would like to thank all of you who have helped set up and take down chairs at the Town Hall the last few months, it has been a great help. Hope you will think about coming between 9:45 and 10 to help set up and staying a little later to help put chairs and tables away and sweep the floor at the end of the meeting.. Thank you...

Hope to see you at the meeting.

Andrea

Risk Management- N/A

Annual Show

- Thank you to everyone who helped out. There were a total of approximately 1500 persons who attended our show this year.

The meeting was adjourned for the show table, luncheon, and program.

Respectfully submitted by Susan Usseglio

Are you a member of the **American Orchid Society** and / or **Orchid Digest**?

I'm realizing that there may be some real benefits to the NH Orchid Society if members of NHOS indicate that on their renewals or new memberships to both AOS and OD that they are members of NHOS. Would anyone who is a member of either, please do two simple things. First, please be sure to indicate on all correspondence/renewal to AOS and OD that you are also a member of the NH Orchid Society. Secondly, it may be helpful for us to access the benefits, if you please send me a quick email indicating which one or both that you belong to; aosrep@nhorchids.org. For those NHOS members who are NOT members of either AOS or OD, please remember that NHOS is an affiliated society of both and the monthly publications are placed in our library... and you may borrow them!

Thanks! Jean Stefanik, AOS and OD Representative
