President's Message

Thank you all for the wonderful food and drinks for the Holiday meeting, it was great to have time to chat with everyone and then to watch AOS judging. It was nice to see so many people and visitors join our group

A reminder that along with hot dishes or sandwiches we could use drinks at our meeting as well, water, soda, coffee, tea.

As some of you may remember, at the December meeting I asked for a helper or two to join me between 9:30 and 9:45am for set up of tables and chairs as well as take down of tables and chairs and sweeping the floor at the end of each meeting. I have two volunteers for set up this month, thank you!

We are now just a little over a month away from our Annual Show and Sale, slated for February 9th through 11th. The theme this year is "A Flurry of Orchids" We will need all hands on deck so the show goes on without a hitch. Just an hour or so would make it easier on the whole crew. Look for sign- up sheets at our regular meetings, there are many jobs both large and small available. One very important position is supervising the admissions table list and recruiting volunteers please talk with Brenda as she has all the information you will need.

President's Message (con't)

Sue Andersen and Anita Walker will be setting up the CAIOS Show the 25th of January so if you have plants to share please touch base with Sue or Anita.

Hope you are all staying safe and warm and had a wonderful Christmas and are enjoying the beginning of the new year

Hope to see you at the meeting.

Andrea

Next Meeting
