President's Message

I hope everyone is trying to stay cool as the temps rise to heights we haven't seen in a while.

I want to remind all of you that the Society needs your help, there are a few positions that need to be filled on the Board, Vice President, Treasurer, and a Trustee. We cannot keep the society running without volunteers making things happen. We wouldn't have speakers if it were not for the Vice President, we couldn't pay bills and keep the finances in check if not for a Treasurer, and in order to make it all come together the trustees round out the Board. Please see Norm Selander-Carrier if you are interested in any of these positions as this is how the society is run. If you have any questions on what the responsibilities of these positions are please ask, we would love you on the board. I hope you can commit to make the Board full. Thanks.

Annual Membership is right around the corner, remember in order to get into the IPA meeting (free of charge) in September your membership needs to be current. Memberships run September 1st to August 31st each year.

WHAT ARE WEBINARS? Webinars are an Internet conference where you can hear the speaker and view his presentation, ask questions, and hear interactions from other members of the audience. You can join either on your computer or by phone. You can join from anywhere, via your Mac, PC or even your mobile device. Audio is included, so attendees can phone in or use VoIP (Voice over Internet Protocol). You will need a microphone for your computer to use VoIP.

WANT TO LEARN, BUT CAN'T MAKE THE DATE? The live webinars will be recorded and posted on the AOS website, where you will find a link allowing you to view the webinars at your convenience.

Mark your calendars now for what will be an amazing regional meeting of the International Phalaenopsis Alliance.

Our featured guest speaker is the return of one of our most popular speakers, Mike Mims, a hobby-hybridizer from North Carolina, who has already garnered several AOS awards to his Phalaenopsis, including a coveted FCC/AOS. Mike has been focusing his breeding program on fragrant brilliantly colored waxy novelties and this time he has told us he will be bringing seedlings from some of his newest crosses for sale.

Carri Raven-Riemann will be presenting an update on the newest in Phalaenopsis breeding as seen at the 2018 Taiwan International Orchid Show. The advances over the last few years have been eye-popping and forward thinking, including new directions in breeding intergeneric Phalaenopsis hybrids.

We will have a slightly different schedule from our previous seven years, starting a little later in the morning (10 AM) and focusing on two speakers followed by a roundtable culture discussion. In addition, we'll have a mini auction along with lunch and snacks to keep us all going.

The New Hampshire Orchid Society will co-host us, as always, on Saturday, September 8, 2018 in Bedford, NH.

Please go to <https://www.nhorchids.org/event-2771757> to register. It's free for members and \$12 for non-members. The registration deadline is September 1st.
Have a wonderful summer and see you in September!

Are you a member of the American Orchid Society and / or *Orchid Digest*?

I'm realizing that there may be some real benefit to the NH Orchid Society if members of NHOS indicate on their renewals or new memberships to both AOS and OD that they are members of NHOS. Would anyone who is a member of either, please do two simple things. First, please be sure to indicate on all correspondence/renewal to AOS and OD that you are a member of the NH Orchid Society. Second, it may be helpful for us to access the benefits, if you please send me a quick email indicating which one or both that you belong to. aosrep@nhorchids.org. For those NHOS members who are NOT members of either AOS or OD, please remember that NHOS is an affiliated society of both, and the monthly publications are placed in our library... and you may borrow them !

Thanks! Jean Stefanik, AOS and OD Representative
