President's Message

This month is our Member/Vendor Auction and I am hoping it will be a phenomenal success. In order for this to happen we need to promote this event not just to our own members but also to orchid lovers outside of the society. To that extent I am enlisting your support. I have asked Lee Brockman to send each of you a flyer with information on our Auction. Please print this flyer and post it in your library or other prominent place in your community.

A big thank you to Susan Usseglio. She has put a lot of time and effort in getting the plant information and pictures on our website. We have a great selection of orchids for sale. Please check them out.

I also want to thank Chuck Andersen, Bob Cleveland, David Sparks, Chuck Wingate and Daryl Yerdon for participating in our panel for the "Ask the Experts" program and sharing their knowledge with us. I learned a lot and I am sure my plants will be a lot happier because of it.

Anita

Conservation News

Grant to India Update !

We just received confirmation that the \$1000 Conservation/Education grant monies that were sent to the Tropical Institute of Ecological Sciences (TIES) Orchid Library/Resource Center have finally reached India and are available for them to begin using to fulfill their grant proposal. It took some time because new procedures and laws were instituted in India recently to be sure that foreign funds were administered and reached the organizations for which they were intended.

We look forward to updates as this initiative progresses, including acknowledgements of the contribution of the NH Orchid Society.

If anyone in NHOS is interested in joining our Committee, you are most welcome!

Jean Stefanik, NHOS Conservation/Education Chair, Committee Members George Newman, Chuck Andersen, Andrea Deachman.

NHOS Annual Show and Sale Meeting **October 1, 2021 @ 7:00PM** **Via ZOOM**

Agenda:

- Main item on the agenda is to cover the updated contract and manual executed and provided by Leigh Coolidge.
