President's Message

Brenda Campbell, Andrea Deachman and Susan Usseglio did it again!! We had another hugely successful orchid show, thanks to their efforts. I also want to thank all of you who helped throughout the weekend. We couldn't have done this without all of your support.

Sue Usseglio and I braved the snow and attended the Amherst Orchid Society's Show. It was very well done and definitely worth the trip. Their Society display was fantastic. Thank you to Bob and Lee **Brockmann and Steve and Jan** Smyrychynski for rounding up plants and setting up our Society exhibit.

The Orchid Digest Diamond Award of Excellence is given to a member who has gone above and beyond in support of NHOS. It was an honor for me to present this year's award to Dick Josephson. Dick has been a Trustee and served on several committees. More recently he was in charge of all of the show signage and procured the garden benches that were scattered throughout the ballroom so guests would have a place to sit.

I am looking forward to our next meeting and should have some more information on the trip to Ecuador that I have been looking into.

Anita

A Note From Our Show Chair

One last time.

A note of thanks and gratitude to the people in this society who stepped up and helped our 30th Annual Show and Sale be a success, whether you ''did your time'' for admission or jumped full in, thank you for your time and help.

There were many people (and if I try and name you all I will forget someone so not doing it) that came to set-up Thursday morning and were still there Sunday helping take things down and pack away. Not sure if they left and came back, or if they stayed, but...thank you, thank you, thank you.

Andrea and Sue U, my co-vice chairs, who ran plant registration (Andrea) and the Member Co-op and Ribbon Judging (Sue), along with helping put out any fires that happened along the way, thanks again for the awesome jobs you did.

Thank you, Anita, for the use of both your husband and his pick-up truck.

And Leigh, great job with the floor plan, again. Thank you.

I want to thank Daryl and Adrienne for keeping track of the website and Daryl for the great advertising push again, thank you.

Ah, credit cards. Who knew! That was a big step for us this year. Easy- peasy after one small glitch that Sue U took care of.

My memory is a year older so if there's anything I've forgotten, and I'm sure there's a bit, blame it on age.

Thank you all again for the time and effort you put in to help the society put on another great show.

One last thing. I would like to invite any member to the Wrap-up meeting to be held at the Marriott in the Garand Room Thursday, March 16th at 6pm. Please let us know if you will be coming at show@nhorchids.org so I can plan on a light dinner count.

And one last mention. Thanks, Jean, for again setting up the NHOS Education & Conservation Display. She raised a bit under \$200.00 for the conservation fund. Good job!

Brenda Campbell, Show Chair

NHOS President Anita Walker presents the Orchid Digest Award of Excellence to Dick Josephson

NHOS Exhibit at Amherst OS Show

A Message from the Desk of Susan Usseglio

- Approximate attendance totals for all 3 days: 2,381Guests
- CO-OP: Approximate total = \$8,120.00; NHOS' cut Approx. \$1,600.00
- Dinner amongst the Orchids Auction = \$355.00
- Ribbon Judging: Thanks to the NHOS Members, AOS Judges and Sister Society Members who, as always, stepped up to the plate, participated in this event and made it a successful experience for everyone. My understanding the new set-up of the displays and signage made it much easier on everyone and facilitated an earlier completion than last year. There was approximately a combined total of 500 plants/art entered in this year's judging. In speaking with some of the AOS judges they felt the procedure went very smooth and did not have any improvements to suggest. The only negative I heard was there were quite a few missing entries that had not been removed from the Judging Sheets. In our defense, we cannot remove them if we are not told.
- Zettle by PayPal This was the first year we were able to take credit cards and we did so via a device called Zettle. This is my new best friend and I would not have been aware of if I had not been working at Mason Hollow Nursery last summer Thank you Chuck and Sue. There were a few growing pains, as is with anything new, but all in all and with assistance from Ryan Godbout, we were able to rise above these small hurtles. From all indications from the members who used it they thought it was just great. I have been exploring some other possibilities with my contact at Zettle to see if we can be even more proficient in the future. With the implementation of Zettle, it may eliminate the need for Guests to pre-buy admission tickets more on this later. Zettle was responsible for taking \$4,500 in charges from our Guests for Admissions and Membership.
- QR Codes Last year AOS offered QR codes which contained their Culture Sheets located on their
 website. This year we tried a phased approach on implementation of what hopefully will eventually
 produce a paperless information center for Plant Culture. It is hoped that next year we can institute a
 QR Code Information Board at Membership that will have all these codes affixed to it for our Guests to
 take advantage of. Going in this direction will cut down on the cost of photo copying individual culture
 sheets.
- Plants used in the re-potting clinic were captured from Chuck and Sue Andersen Mason Hollow Nursery and Peter and Marie Cataldo. A Big Thank You to you all.
- Plants for the new memberships were procured from Chuck and Sue Andersen Mason Hollow Nursery. In total I believe 31 of Chuck's divisions were given out to new members.
- Diamond Award recipient for 2023 for distinguished service was awarded to Dick Josephson.

All in all, we had a successful 30th Show and Sale. The Show Committee is planning on having a wrap up meeting on Thursday, March 16th at the Courtyard by Marriott in the Garamond Room @ 6PM. This meeting will also be available by ZOOM. More information will be forth-coming.

In conclusion, to Ribbon Judging, Hospitality, Membership, Admissions, CO-OP, Vendors, AOS Judges, Sister Societies, Vendor Liaison, Social Media Liaison, my fellow Core Show Committee members, Psychiatrist and Doctors I want to personally say Thank You too each and everyone. I know it wasn't perfect but perfection is unattainable progress is what's important.

Susan
